

**በቅዳሜና ኢሁድ መርሃ ግብር (በሁለተኛ ዲግሪ) የሚሰጡ የትምህርት መስኮች**

| <b>Faculty</b>                         | <b>Program</b>                           |
|--|--|
| Chemical and Food Engineering          | Applied Human Nutrition                  |
|  | Food Safety & Quality                    |
|  | Postharvest Engineering and Management   |
|  | Food Technology                          |
|  | Process Engineering                      |
|  | Environmental Engineering                |
|  | Polymer Science and Engineering          |
|  | Industrial Biotechnology                 |
|  | Sugar Process Technology                 |
| Faculty of Computing                   | Artificial Intelligence and Data Science |
|  | Computer Science                         |
|  | Information Technology                   |
|  | Software Engineering                     |
| Electrical and Computer Engineering    | Communication Systems Engineering        |
|  | Energy Informatics                       |
|  | Power Systems Engineering                |
| Mechanical and Industrial Engineering  | Automotive Engineering                   |
|  | Mechanical Design                        |
|  | Electromechanical engineering            |
|  | Engineering drawing and design           |
|  | Manufacturing Engineering                |
|  | Thermal Engineering                      |
|  | Product design and development           |
|  | Production Engineering and Management    |
|  | Industrial management                    |
| Agricultural Mechanization Engineering |  |
