

List of PhD programs

1. Doctor of philosophy in Sustainable Energy Engineering
2. Doctor of philosophy in Electrical Power Engineering
3. Doctor of philosophy in Postharvest Technology
4. Doctor of philosophy in Chemical engineering (Process Engineering and Design)
5. Doctor of philosophy in Chemical Engineering (Environmental and Biological Engineering)
6. Doctor of philosophy in Chemical Engineering (Biochemical Engineering)
7. Doctor of philosophy in in Chemical Engineering (Polymer Science and Engineering)
8. Doctor of philosophy in Chemical Engineering (Industrial and Environmental biotechnology)
9. Doctor of philosophy in Chemical Engineering (Nano Science and Technology)
10. Doctor of philosophy in Agricultural Mechanization Engineering
11. Doctor of philosophy in Industrial and Systems Engineering
12. Doctor of philosophy in Mechanical Engineering (Mechanical Design)
13. Doctor of philosophy in Mechanical Engineering (Manufacture Engineering)
14. Doctor of philosophy in Mechanical Engineering (Thermal Engineering)
15. Doctor of philosophy in Civil Engineering (Construction Engineering and Management)
16. Doctor of philosophy in Communication Engineering
17. Doctor of philosophy in Computer Engineering
18. Doctor of philosophy in Electrical Control Engineering
19. Doctor of philosophy in Computer Science
20. Doctor of philosophy in Civil engineering (Geotechnical Engineering)
21. Doctor of philosophy in Civil engineering (Road and Transport Engineering)
22. Doctor of philosophy in Civil engineering (Structural Engineering)
23. Doctor of philosophy in Hydrology and Water Resource Management
24. Doctor of philosophy in Hydraulic Engineering
25. Doctor of philosophy in Irrigation Engineering and Management
26. Doctor of philosophy in Water Supply and Sanitary Engineering
